

# Helping New York City Businesses Start, Operate & Expand

**How can we help you?** The NYC Business Solutions, Midtown Center is committed to helping businesses start, operate and expand in New York City. Regardless of the size or stage of your business, we can help you access services that meet your needs as you continue to grow and expand.

- **Business Courses** to teach you skills to reach your business goals
- **Legal Review of Contracts and Leases** with our network of lawyers offering pro-bono services
- **Navigating Government** to help you understand regulations and meet requirements for your business
- **Financing Assistance** to help you identify lenders, package your loan application and increase your chance of receiving a loan
- **Recruitment Services** to provide you access to a ready pool of screened job candidates
- **Minority/Women-owned Business Enterprise Certification** to provide you access to government contracts
- **Training Funds** to improve the skills of entry-level employees and increase the quality of your business operations
- **Incentives** to save you money as your business relocates, expands or makes capital improvements

**Why work with us?** Each year we provide no cost, customized services to **help over 12,000** entrepreneurs and small business owners reach their goals. Last year we:

- Helped **170** clients secure over \$11.8 million in financing
- Provided **2,200** clients with free business education courses
- Saved clients **\$2,000** on legal fees to structure their business and review contracts
- Recruited over **5,000** employees for 400 businesses
- Helped over **5,000** entrepreneurs develop an effective business plan
